In essence it is the driving force behind our mission 'Building Customers for Life'. We have created our Customer Service Charter, so that you know exactly what to expect, even on those very few occasions when things don't go as planned.

Our Customer Service Charter guarantees the service we provide, from the first time you contact us through to every step of customer service and fulfilment process. You will know exactly what to expect 'Every time'.

3 3TQM Customer Service and Care Management System

4 Cleaner and Healthier Workplace with our Go Clean Go Green Cleaning Program

Our 'Go Clean Go Green™' cleaning program forms part of our overall initiative to provide green cleaning solutions and an environmentally responsible service.

5 Flexibility to Deliver

Spree has the resources and expertise to meet any requirement, however being flexible gives us the ability to shift paradigm's and be entrepreneurial, because very rarely are any two contract packages alike, so the ability to develop new concepts and services is a critical part of our operation.
