

Hygiene & Washroom Services.

Spree Enterprise's Hygiene and Washroom Services offers a leading range of solutions from general washroom hygiene products and consumables, too specialist urinal deep cleaning programs and toilet cleaning programs which are provided through a contracted service program or on an as-required basis.

Our state of the art **Hygiene and Washroom Services** and specialist cleaning services combine the installation of products, coupled with regular servicing programs to ensure disposal units are regularly replaced and dispensers are replenished. Our dependable hygiene and washroom service is delivered through, regularly trained, security checked and uniformed staff.

As part of our environmentally responsible practices we ensure the waste generated from our washroom and hygiene solutions is treated and disposed of through various sustainability programs, ensuring we are conscious of all aspects throughout the final treatment process.
